

MSD 132 R2 & MSD 155 R3

R Series

Benefits

- Long and reliable lifetime (6,000 hours)
- High light intensity
- Perfectly suited for small and lightweight moving heads
- Perfect optical system with maximum light output
- Easy lamp replacement

Features

- YODN brilliant technology
- 0.9 mm arc gap
- Compact design
- Elliptical reflector lamp
- High correlated color temperature

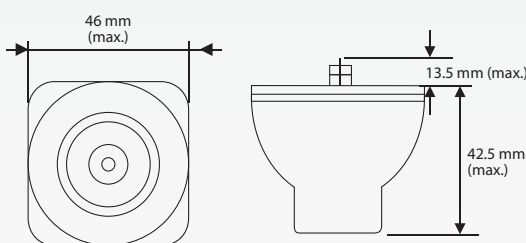

Lamp	NEW MSD 132 R2	NEW MSD 155 R3
Type	MSD 132 R2	MSD 155 R3
Lamp Wattage	132 W	155 W
Arc Gap	typ. 0.9 mm	typ. 0.9 mm
Lamp Dimensions	46 x 46 x 56 mm	46 x 46 x 56 mm
Lumen Output	5,100 Lm	6,000 Lm
Colour Temperature	8,000 K ±300 K	8,000 K ±300 K
Burning Position	any	any
CRI	75	75
Average Lamp Life	6,000 hrs	6,000 hrs
Lamp Voltage	70 V ±15 V	70 V ±15 V

Ballast	MSD 132 R2	MSD 155 R3
Ballast Output Wattage	132 W	155 W
Ballast Dimensions	135 x 50 x 30 mm	135 x 50 x 30 mm

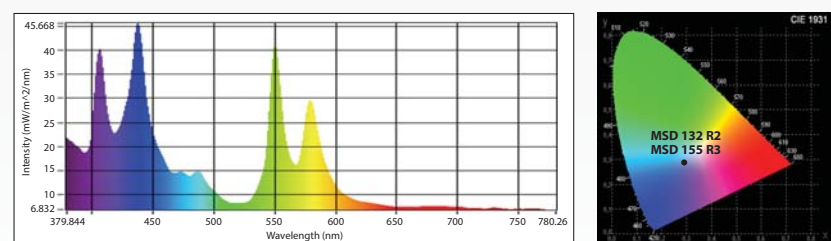

Application Modules

Company	Model Name
American DJ	Vizi Roller Beam 2R/Vizi Beam Hybrid 2R

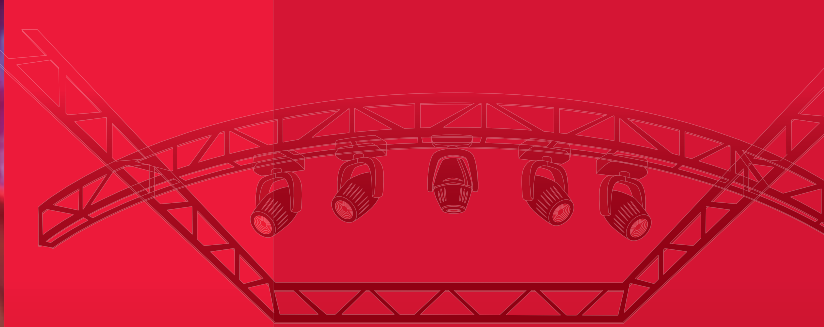

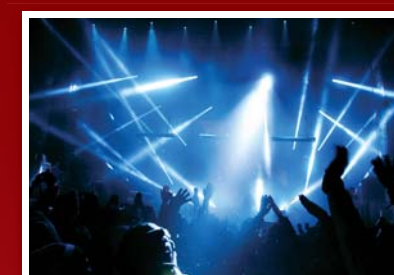

Dimensions

Photometric Characteristic

YODN Entertainment Lighting

Our YODN stage light products are mainly metal halide which include 250 - 1200 Watt's high luminous efficacy, high luminance lamp sets used for professional stages and film studios.

The optimized optical design and brilliant color qualities of metal halide lamps enhance vividness, and can be applied in any entertainment occasions that require stage lighting effects such as concerts, theaters, film studios, disco pubs, and large outdoor activities.

Product Features

- High-pressure mercury tube
- High luminous efficacy
- Ideal bulb design
- Protective pinch design
- Precision arc position
- Using Japan made, high-grade material

Product Benefits

- Very compact arc
- Great color rendering
- Consistent performance over time
- Universal burning position
- Fewer early failures

YODN R Series Beam Lamps

Concert

TV Studio

Night Club

YODN is one of the leading brands to produce R Series Beam Lamps. R Series Beam Lamps have the most optimized and accurate light beam among the existing metal halide lamps.

With very short arc, R Series Beam Lamps are perfect to be used in lighter, thinner, and more agile moving heads. Moreover, they produce sparkling, strong light beams which can eliminate shadows and perform brilliant colors. These features make R Series the ideal stage light for concerts, TV studios, and night clubs.
